# Welcome to CIISec LIVE 2025

CIISec LIVE, the annual conference hosted by the Chartered Institute of Information Security (CIISec) is the premier gathering for senior cybersecurity professionals, experts and industry leaders. Returning to London in 2025 this flagship event fosters collaboration, knowledge sharing, and innovation in the ever-evolving cyber landscape.

Bringing together top talent and diverse perspectives from both within our membership and externally, CIISec LIVE 2025 is the place to network, exchange insights, and debate and discuss the challenges shaping the future of cybersecurity.

Watch our CIISec LIVE 2024 highlights video featuring testimonials from speakers, delegates and exhibitors.

# Why Sponsor or Exhibit?

“No other conference brings cybersecurity vendors and senior buyers together to network, inform and collaborate”

CIISec LIVE provides a platform of opportunities to network and promote your business to some of the most senior information security professionals representing the UK's biggest brands.

Whether you are an established vendor in the marketplace looking to build on existing relationships, a business launching a new product, or a provider looking to make new connections and drive business opportunities, CIISec LIVE offers realistically priced packages to suit every business objective.

Our established one-day conference is regarded as the must-attend educational event for senior information security professionals, with a leading agenda and speaker profile that shapes and informs the sector for the next 12 months.

- **400+** Cybersecurity Professionals
- **Multiple** Work Streams
- **Networking** Reception
- **High Impact** Exhibitor Exposure
- **Industry Leading** Speakers
- **Access** Senior Buyers
- **Speaker** Panel Opportunities
- **Build Relationships** Post-LIVE

“As our community of information and cybersecurity professionals grows, so does the conference - exposing exhibitors to a dynamic audience of key decision-makers.”

# LIVE Networking Reception

Join us the night before CIISec LIVE conference for an exclusive networking reception, bringing together senior security leaders, executives, and practitioners in a relaxed, informal setting.

As the sponsor, this is a unique opportunity to elevate your brand and position yourself at the heart of the cybersecurity community. Attended by key decision-makers driving professional standards, innovation, and best practices, this event offers direct access to those shaping the industry.

With entertainment, drinks and refreshments, the evening sets the stage for meaningful conversations, new connections, and early debates ahead of the conference. Get your brand in front of the people who matter!
